

ACKNOWLEDGEMENT

The completion of this research paper could not have been possible without the participation and assistance of so many people. Their contributions are sincerely appreciated and gratefully acknowledged. The researcher would like to express her deep appreciation and indebtedness particularly to the following:

First of all, I am grateful to the Almighty God, the author of knowledge and wisdom, for His unconditional guidance and countless love to complete this study.

It is a genuine pleasure to express my deep sense of thanks and appreciation to Dr. Suwaree Yo, the Director of The Institute of Research and Development, Suan Sunandha Rajabhat University for her time and effort in checking the manuscript of this research work.

I am immensely thankful to Asst. Prof. Dr. Witthaya Mekhum, the Vice-Rector of The Institute of Research and Development, Suan Sunandha Rajabhat University, for his assistance and benevolent support which has helped me in the completion and the presentation of this study.

I owe a deep sense of gratitude to Mrs. Teeraporn Plailek, a lecturer of English Language Department, Suan Sunandha Rajabhat University for her kind support, and excellent understanding spirit during my research presentation.

Finally, I would like to acknowledge with gratitude the endless support, loving inspiration, and undying love of my dearest husband, Mr. Dennis Michael Essien and my son, Mr. Abiel Dennis Melad Essien. My gratefulness to all the members of my family for their unwavering moral and spiritual support. I am also indebted to the participants of this study which made the research possible.

Mrs. Abigail Melad Essien
